Commissioner for Patents

Inventorship

1. In view of the papers filed 11/29/2005 and 11/23/2005, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). Note that while the petition was filed under Rule 1.324 that Rule is applicable to published patents, as the issue fee has not yet been paid, the petition has been considered under 37 CFR 1.48(a). The inventorship of this application has been amended to add Marco Telara, Paolo Bellomi and Giorgio Mastrangelo.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected.
